Museum Internships January – December 2017

The Kalamazoo Valley Museum offers unpaid internships for qualifying college students in both the Educational Programs Department and the Collections/Exhibits Department.* Candidates must be available to work weekdays, Monday-Friday, anytime during the hours of 9 am to 5 pm. In the summer (beginning in June), work hours are limited to Mon-Thurs 9-5 for the Educational Programs Department and Tues-Fri 9-5 for the Collections/Exhibits Department. We require that summer interns limit total working hours to 120. During other semesters, number of work hours can be up to 240.

Interns are assigned a project that they will be responsible for completing during the semester. That project is determined after an interview with the prospective intern. We try to design the project around the interests of the intern, but also on the needs of the Museum.

To be considered for an internship at the Museum, please submit your resume and a letter of interest based on the schedule below.
