KALAMAZOO DIRECT TO YOU

Enjoy the hands-on history of Kalamazoo with a walk through Kalamazoo Direct to You.

EARLY CHILDHOOD EXPLORATIONS

This special area for preschoolers encourages creative play and provides programs and interactive exhibits geared for ages 5 and under. The themed activities and programs change every two months.

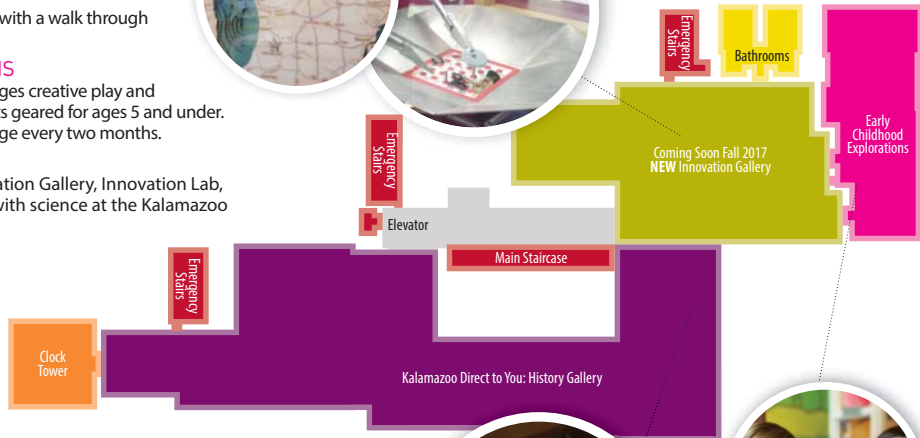

NEW INNOVATION GALLERY

The fall 2017 opening of the new Innovation Gallery, Innovation Lab, and ThinkTank invites new encounters with science at the Kalamazoo Valley Museum.

The new exhibit and interactive space will include technology-rich exploration of four major areas: Human Body, Environment, Mobility, and Music. These new offerings will inspire and nurture the exploration of science, technology, engineering, and math, commonly referred to as STEM, along with history and art.

The Innovation Gallery will dedicate space for live, participatory demonstrations to enliven visitors' science experience, making science relatable and relevant for all visitors.

The Innovation Gallery is expected to open in November.
