THIRD FLOOR

Special Exhibit
GOOD DESIGN: STORIES FROM HERMAN MILLER SEPT 6 – JAN 27
This exhibition explores the problem-solving design process used at the famed West Michigan-based furniture company.

MYSTERY OF THE MUMMY
Who is she? What did she look like? Where was she from? With the aid of scientists, doctors, and scholars, you can learn the answers to these questions and more in the “Mystery of the Mummy” exhibit.

SECOND FLOOR

KALAMAZOO DIRECT TO YOU
Enjoy the hands-on history of Kalamazoo with a walk through Kalamazoo Direct To You.

SCIENCE IN MOTION
This lively, hands-on exhibit invites visitors of all ages to participate in science by seeing, touching, feeling, hearing, and discovering.

CHALLENGER LEARNING CENTER
The CLC is an innovative experience—complete with a spacecraft simulator and Mission Control—that takes visitors on simulated space missions.

CHILDREN’S LANDSCAPE
This special area for preschoolers encourages creative play and provides programs and interactive exhibits geared for ages 3 and under. The themed activities and programs change every two months.

CHILDREN’S LANDSCAPE Hours
Monday–Friday 9 am–3 pm
Saturday 9 am–5 pm
Sunday 1 pm–5 pm

FIRST FLOOR

Special Exhibit
BRAIN TEASERS OCT 6 – JAN 6
Visitors can solve 21 puzzles using creative thinking and problem-solving strategies such as looking for patterns, thinking ahead, setting aside preconceived ideas, and looking at problems from different perspectives.

MARY JANE STYKER THEATER
Enjoy documentaries, movies, concerts, and history lectures throughout the year.

PLANETARIUM
See the latest in planetarium technology—full-color, full-dome video with more animation than ever before. New shows added every year!

FRIDAY NIGHT HIGHLIGHTS
Friday Night Highlights are filled with movies, concerts, Art Hops, special events, and laser light shows every Friday night.
