Special Exhibit

## TOP SECRET: LICENSE TO SPY

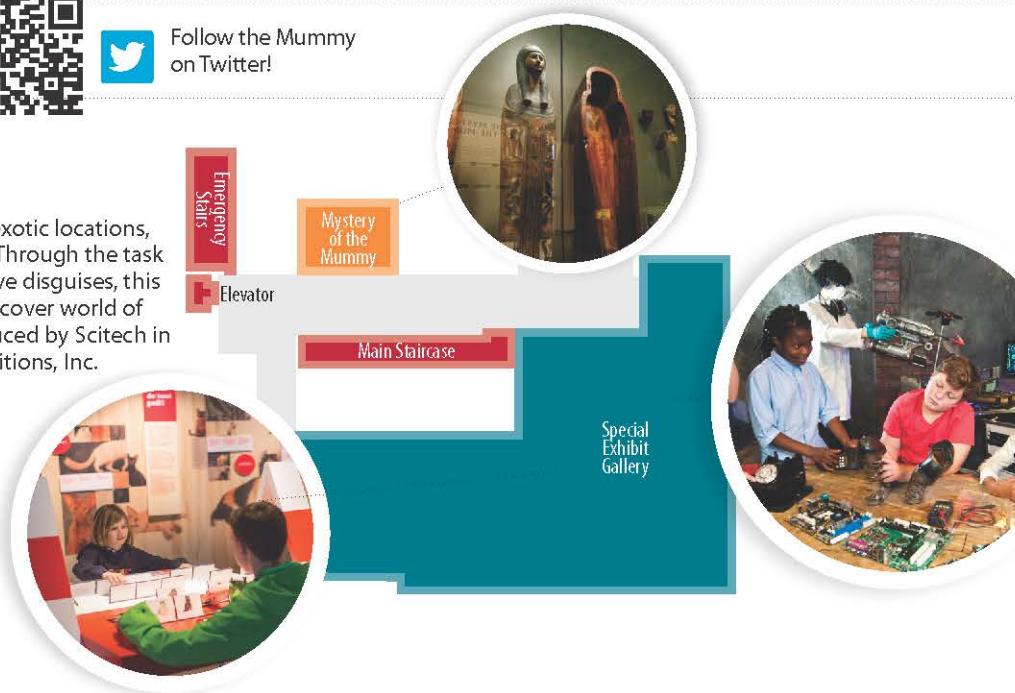

JANUARY 28 – APRIL 29, 2018

Visitors will have fun with a James Bond-style fantasy of exotic locations, high-tech equipment, and, of course, a mystery to solve. Through the task of breaking codes, using spy satellites, and creating elusive disguises, this exhibit explores the science and technology of the undercover world of spying and espionage. This exhibit is designed and produced by Scitech in Perth, Western Australia, and produced by Imagine Exhibitions, Inc.

## CATS & DOGS

MAY 16 - SEPTEMBER 9, 2018

The exhibit Cats & Dogs invites us to immerse ourselves into the world of our beloved pets. Through over 20 exciting interactive elements, we learn to better understand these animals and their relationships to each other and to us. This exhibition is created by Universcience, in partnership with Musée de la Civilisation, and produced by Imagine Exhibitions Inc.

## KALAMAZOO DIRECT TO YOU

Enjoy the hands-on history of Kalamazoo with a walk through Kalamazoo Direct to You.

## EARLY CHILDHOOD EXPLORATIONS

This special area for preschoolers encourages creative play and provides programs and interactive exhibits geared for ages 5 and under. The themed activities and programs change every two months.

## NEW INNOVATION GALLERY

The new Innovation Gallery, Innovation Lab, and ThinkTank invite new encounters with science at the Kalamazoo Valley Museum.

The new exhibit and interactive space includes technology-rich exploration of four major areas: Human Body, Environment, Mobility, and Music. These new offerings inspire and nurture the exploration of science, technology, engineering, and math, commonly referred to as STEM, along with history and art.

The Innovation Gallery dedicates space for live, participatory demonstrations to enliven visitors' science experience, making science relatable and relevant for all visitors.
