AND STILL WE RISE: RACE, CULTURE AND VISUAL CONVERSATIONS

JANUARY 21 - JUNE 4, 2017

The beautifully handcrafted quilts featured in And Still We Rise narrate the history of the African American experience, capturing the stories of freedom's heroes. Through the accessibility of their colors, patterns, and symbols, these quilts relate stories that enable conversations about sensitive topics from our history, furthering the conversation of racial reconciliation in America. Presented by the Women of Color Quilters Network in partnership with Cincinnati Museum Center and National Underground Railroad Freedom Center.
